FIM Europe Magazine #02 2024 is now online with a Special Supplement!

The FIM Europe is glad to announce that the new FIM Europe Magazine issue #02 is now online with a Special Supplement!

Issue #02 starts with a tribute to Wolfgang Srb and Peter Hansen, who sadly passed away in the last months. The Magazine continues with a review of the current sporting activities as all Championships and Cups are at the height of the season. Some Champions have already been crowned, such as in the Team Speedway European Championship, the Under19 Pairs Speedway Championship, the Snowcross European Championship, the EMX Women' European Championship, the Hard Enduro Cup and the S4 Championship.

The Special Supplement celebrates the 28th edition of the FIM Europe Congress. The FIM Europe family met from Thursday 04th to Saturday 7th July in Fiumicino for three days of fruitful meetings.
