**PMT Tyres extends with the FIM Europe the partnership as the exclusive tyre supplier for the 2024 European Mini Road Racing Championship**

*The FIM Europe and PMT Tyres continue their partnership to discover the new European champions who will compete at the Slovakia Karting Center circuit.*

PMT Tyres is pleased to announce its participation in the 2024 European Mini Road Racing Championship as the sole tyre supplier. Once again, PMT will support young riders, contributing its expertise to the success of the competition.

The 2024 European Mini Road Racing Championship will be held at the renowned Slovakia Karting Center in Slovakia. Talented European riders will compete on this track, aiming to win the prestigious European title. Following the exciting 2023 edition, which saw fierce competition between various nationalities at the Italian circuit of Ortona, this year will also feature participants from all over Europe eager to make their mark on the international scene.

PMT, which has been collaborating with the FIM Europe for years, is proud to continue supporting young motorcycle talents by providing its tyres, with the aim of ensuring the best performance on the track.

**Michal Sikora, FIM Europe President**

*“The FIM Europe is glad to extend the partnership with PMT Tyres. We believe they have the expertise and know-how to deliver a first-class European Mini Road Racing Championship. The series is a very important discipline for our future champions and*
